

# HUMANITARIAN EXPEDITION

Cartagena & Montería,  
Colombia

**Generations**  
Humanitarian

**June 13-23,  
2012**

## Expedition Objectives & Preparation

As an expedition participant, you are a contributing Citizen of the World and will see life from the Caribbean coastal perspective. You will experience the joy of being a giver of humanitarian service and of acquainting yourself with the humble, yet cultured Colombian people and their colonial ancestry and history. The north coastal region of Colombia is SAFE FROM GUERRILLA ACTIVITY. Our expedition leader has been in Colombia many times.

**The purpose of the expedition is twofold:** 1) To provide hope, hygiene, construction, food, skills, or medical needs to poor children; and 2) Enjoy cultural exchange with villagers or natives in the Caribbean, thereby increasing your appreciation of the crucial need of humanitarian involvement. On expeditions, we will work with street children and build facilities for children. We provide hygiene kits and basic hygiene training. We also provide supplies for new born babies and their mothers with training as well. Projects may include building facilities or distributing humanitarian relief goods in Cartagena or Monteria, Colombia. Medical and dental projects are added if medical personnel sign on. After payment of your deposit, you will be notified to attend, if possible, briefing meetings as they will include the latest project details,

work assignments, packing preparation, legal requirements, and immunizations. You will be emailed an Expedition Handbook in PDF outlining necessary preparations including cultural information, travel documents, and project itineraries. Above all, each member of the group should psychologically prepare him- or her- self for the trip by agreeing to maintain a responsible attitude, reflecting at all times the highest moral character, and strive to be cooperative and friendly toward all members of the expedition.

On this expedition, we work with indigent people who have been internally displaced from the guerrilla wars of the past. The children are hungry and naked. Cartagena is an enchanted, colonial tourist city to which many “desplazados” fled seeking a better life. These are they who fled the guerrilla wars over the past 20 years, are internally displaced, and who live in extreme poverty. Expedition projects will be finalized spring 2012. Applicants are accepted on a first come, first serve basis. We will limit this expedition to 25 people. We invite those who have already been on one of our expeditions or who have travelled to Latin America previously. Any supplemental travel plans should be cleared through the expedition leader.

- Risk.** I understand that I am responsible for my own luggage, insurance claims, health, and belongings. While GH goes to great lengths to insure my wellbeing, GH is not responsible for the cost of my medical care or any theft, loss or damage I incur during or as a result of this expedition. ## Terms and Conditions

**Generations**  
Humanitarian

**RESPONSIBILITY AND LIABILITY:** This expedition is under the management of Generations Humanitarian (GH), 2607 Casto Lane, Salt Lake City, Utah, 84117. GH has made all arrangements for accommodations and services furnished in connection with this expedition. While on this expedition, GH, as the principal, shall be responsible to the participant for supplying the services GH accommodations offered to the participant as set forth in the itinerary, except to the extent such services or accommodations cannot be supplied, due to delays or other such causes beyond the control of GH. In such event, GH will use its best efforts to supply comparable services and accommodations, but provide no refund. GH, in the absence of negligence on its part, shall not be responsible for any delay, substitution of equipment, or any act of omission whatsoever by the air carrier or by any hotel, guesthouse, lodge, bus supplier, or any of their employees or agents, or any of the services and accommodations to participants, including any results thereof, such as a change in services or accommodations necessitated by the same. GH shall not be liable for any death, nor for any damages or claims arising from negligence of any person not its employee nor under its exclusive control.

**COST:** All prices are quoted in U.S. dollars. They are based on tariffs, airfares, accommodation rates, and rates of exchange quoted to GH at the time of publication. These prices are expected to be in effect at the time of departure; however, prices are subject to change without notice. GH will make every effort to avoid price increases; however, any changes in price made by the airlines, hotels, vendors, operators, etc., with which GH has made arrangements, may be passed on to the participants. If such rates change prior to departure, GH is not under any obligation to pay extra expenses arising from unforeseen circumstances, such as a change of itinerary or means of transportation, etc. Extra charges are at the participant's expense and will require immediate settlement.

**APPLICATION, PAYMENTS, AND CANCELLATION:** Early reservations are strongly recommended, and a deposit per person is required at the time of booking. Final documents (including airline tickets) cannot be sent until final payment is received. Checks should be made payable to Generations Humanitarian. All applications are subject to approval by GH and the expedition leader. All cancellation penalties are the responsibility of the participant, including a minimum \$300 non-refundable deposit.

**HEALTH:** We advise each participant to have a physical checkup before applying for the expedition, and bring an adequate supply of any prescription medications. GH cannot be responsible for illnesses that may occur while traveling. Since projects and sightseeing can be physically taxing, we recommend that persons who suffer from heart disease, high blood pressure, or any physical impairment which could hinder them from normal participation contact the expedition leader prior to submitting an application.

**INSURANCE:** While limited theft, medical, and accident insurance is included with this program, GH is not an insuring agent and is not responsible for any injury to your person. Further detailed information on this insurance coverage will be given at an expedition briefing meeting. GH is not responsible for any loss, theft, or damage to your belongings. Baggage and cancellation insurance is recommended and is available at nominal rates through private insurance companies. In the event of a claim, you are responsible to process your claim directly with the insurance company.

**TRAVEL DOCUMENTS:** Participants must carry a valid passport. Participants will be provided with information concerning passports, visas, and immunizations where needed, but obtaining them are the responsibility of the applicant.

**ACCOMMODATIONS:** We seek to provide well-located accommodations (not always in the center of the city) representative of the area, which provide typical cuisine; clean, pleasant rooms with private bathrooms and efficient management. The class of lodging is consistent with the price category of the expedition. In some rural project areas expedition participants will sleep in tents and/or other rustic encampments without permanent bathroom facilities or heating. Expedition participants should make themselves fully aware of the living conditions provided with each expedition before applying.

**ROOMMATES:** Single participants may request specific roommates and will be assigned roommates of the same sex only. Those seeking a private room, where available, agree to pay the increased cost to the expedition leader prior to departure.

**ITEMS NOT INCLUDED:** Items of a personal nature, such as excess baggage or portage charges; personal, trip, or baggage insurance; room service; laundry; phone calls; bottled drinking water; food or beverages not part of the group menu; gratuities for special services; passports; immunization fees; etc.

**NOTICE:** GH reserves the right to make changes or substitutions in the interest of the expedition in order to meet unexpected situations, such as increases in fares and lodging rates, airline failures, changes in currency rates, etc., prior to departure. Additional charges or refunds will be made to participants where applicable. However, no refund will be made for lodging or services, included in the price, which are not utilized during the program by the participant. We reserve the right to cancel the program, if deemed necessary for reasons including insufficient program participation and circumstances beyond GH's control, such as strikes, lockouts, riots, wars, or Acts of God. In such an event, GH shall have no responsibility, beyond the refund of deposits and monies paid to GH by the participants. A refund will then be made to participants, within 30 days, by means of a bank check.

**STANDARDS:** Expedition participants are ambassadors of the United States and Generations Humanitarian and individual behavior should be of the highest calibre, so as to not jeopardize the good name of the group and GH. All participants are required to maintain ideals and standards in harmony with Christian ideals. High standards of honor, integrity, and morality (including sexual morality); graciousness in personal behavior; application of Christian ideals in everyday living; and abstinence from illegal drugs, alcohol, and tobacco are mandatory. GH expeditions do not discriminate on the basis of race, religion, creed, gender, color, or ethnic or national origin, but all participants must maintain the ideals and standards of GH during the entire expedition.
